

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

LUIS GALEGO,

Plaintiff,

vs.

JOHN SCOTT, et al.,

Defendants.

Case No. 3:10-cv-00758-ECR-VPC

ORDER

On September 8, 2011, the Magistrate Judge filed a Report and Recommendation (#26) recommending that Defendants' Motion for Summary Judgment (#13), filed on March 30, 2011, be **GRANTED**. In response to our order (#47) requiring the filing of objections to the Report and Recommendation by November 3, 2011, Plaintiff filed two affidavits (#48 & #49). The affidavits do not provide any appropriate basis for the Court not to approve the Report and Recommendation (#26) of the Magistrate Judge.

IT IS, THEREFORE, ORDERED that the Magistrate Judge's Report and Recommendation (#26) is well taken and is **APPROVED** and **ADOPTED**. The evidence presented in support of the Motion for Summary Judgment (#13) indicates that Defendants were not deliberately indifferent to Plaintiff's serious medical needs. Therefore, Defendants' Motion for Summary Judgment (#13) is **GRANTED**.

1 Plaintiff subsequently filed motions (#28, #29, #30, #32, #33, #41, and
2 #46). In light of the Court's ruling on Defendants' Motion for Summary
3 Judgment, these motions are denied as moot.

4 The Clerk of the Court shall enter judgment accordingly.

5 Dated this 22nd day of December 2011.
